# Pillowtop Diamond

## The Mattress

- The integral pillow top provides a sumptuously soft and comfortable cushion of British Wool above the supportive mattress. This No Turn mattress features a ReActive™ 8 pocket spring system. Each spring has 8 active turns, providing comfort and support exactly where you and your partner need it. There is a choice of Softer or Medium comfort levels to satisfy your personal comfort needs.
- The mattress is hand-upholstered with naturally soft and breathable layers of British Wool, Cashmere and non-allergenic White Fibre, which help regulate body temperature, relax muscles and ensure a fresh and hygienic night's sleep.
- Covered in the finest Belgian Damask to provide a soft and cool surface, then tailored with

8 ACTIVE TURNS  
ReActive

## The Divan Base

- The matching shallow divan base features a stapled and glued solid timber frame. The divan includes a pocket spring system with a generous thick layer of Cotton for additional comfort and support. The divan is upholstered in either a Hypnos or Sanderson fabric.
